

BAYLESS

Chairman, NFRW Program Committee

As chairman of the NFRW Achievement Awards Committee in 2004-05, Karen Bayless envisioned a new way of communicating to clubs about the award and its goals. Since that time, the Razzle Dazzle Road Show has certified more than 150 women to present this innovative program to clubs across the nation. Bayless serves on the boards of the New Mexico Museum of Natural History Foundation and the University of New Mexico Alumni Association. She has been married for 32 years and has one son.
