

(Sample Letter to Members)

Dear Member,

The National Federation of Republican Women has initiated an exciting membership drive called “One Plus One.” Every member across the United States is being encouraged to participate by recruiting one new member. Our State Federation and local club are participating in “One Plus One,” and we are asking you to help our local club in doubling our membership. We realize some members are unable to attend all of our meetings or events, but this is one project that **every member can participate in** and contribute greatly to our local organization. It’s a time commitment of ten minutes and perhaps one phone call inviting a friend, neighbor, or relative to join. Invite your daughter, granddaughter, mother, mother-in-law, grandmother, or aunt to join! Invite your friends, and perhaps consider giving membership as a gift. When you have recruited one member, don’t feel obligated to stop there. Invite another! **Together let’s make our club number one in the state for increasing our membership!**

We have enclosed membership forms for your convenience and also a list of benefits our members receive for their dues. Members can be as involved or uninvolved as their lifestyle permits. Some members may only wish to join to financially support our organization with their dues. All members receive membership in our local club, the state and national organizations.

Please help us make our club number one in the state and recruit one member today! **Your loyalty as a Republican Woman is deeply appreciated!**

Sincerely,

Name
